# SECRET CRUSHES

*Dear reader, seems like there were many ladies that caught your fancy in our last issue. After the wanking stopped, we got several mails expounding their sexiness. So here's one more look so you don't have to open those sticky pages again.*

I gotta tell you, I'm in love with Alexis Faux. She's one amazing sex machine. The whole time I looked at the pictorial in your magazine I was hard. After only a couple pages I had to pull myself out of my pants and whack off to her photos. That double fistful of cock in her hands, and almost in her mouth made mine pretty hard, but I still wanted to jam mine into her. But, damn, that ball licking she does is one proper turn on. Now that's one hot-ass babe with real oral skills. Any advice she could give my girlfriend would be greatly appreciated.

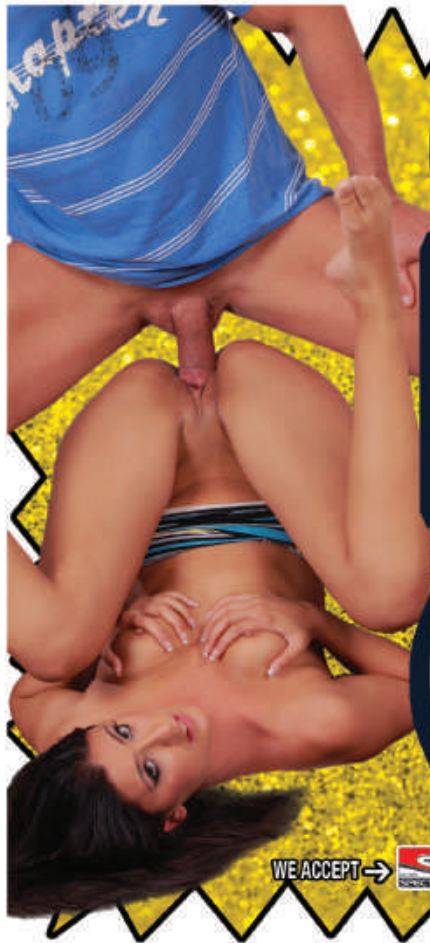

— Paolo, Ft. Lauderdale, FL

I don't remember when Danielle (Trixie) has been seen in a men's magazine, and I gotta thank you for it. She's one fine lady and I wouldn't mind lubing her pipes. I love full-breasted girls and she is so perfectly proportioned. Especially her great boobs. They're perfect. I'd suck those nipples until they were hard enough for her to cum, just be licking and sucking them. And that fine ass. I'd slap that booty until it went from tan to red. It has a great shape and I'd get behind it and pump cock into her until she couldn't take it anymore. I could not forget her sexy mouth. Full lips wrapped around my cock as I fucked her throat. She wouldn't be able to take all my nine inches so, I'd have to take it out of her mouth and put it into her sweet wet pussy. I'd feel her pussy lips around my cock and I would fuck her deep – yeah, deep.

— Harry J., Fresno, CA

# Wishful Thinking

*Alison  
Tyler*

After a personal makeover, Alison came out of her cocoon and turned into Alison the butterfly.. She's become the ultimate big-boobed adult star with hundreds of credits to her name and an attitude that will surely mean another hundred yet to come. Why should she stop now?

## Wishful Thinking

Alison  
Tyler

Us: We're so excited to be speaking with Alison today. She's been on our radar for quite a while now, and admittedly, she looks killer! She's dressed in a blue spaghetti-strap top, and her boobs look absolutely marvelous leading the way. She sits and we begin by discussing her earlier years in the business.

**Alison:** I'm in my early 30s now. Earlier, I thought that I need a man: a good man to be by my side and to service my pussy constantly. I know there's a time for politeness and so forth, so I'm not here to lie to you. I was a woman, with needs, and I've got a pussy that gets wet and is always horny. So, I suppose that led me down this path, and I have not regretted at it. I mean, look at me now compared to earlier.

Us: You do look marvelous and I'm sure you get all sorts of looks, from guys and gals. Surely, you must have thought that getting where you are today would never happen.

**Alison:** You got that right, sister. But, love and sex and romance didn't come easy for me. Some days it felt like all the good ones were taken. And some days it just seems like I was born under an unlucky star which dictated that I'd be destined for a mediocre life!

Us: If there was a turning point, what was it?

**Alison:** There was and there wasn't. Not one single "Ah-ha!" moment, but a series of small events that built up to having to

## Wishful Thinking

Alison Tyler

make some hard decisions for myself. That's how I sort of came to my resolution. All I really wanted was some great screaming sex, but I wasn't getting it. Maybe I set the bar too high? If there's to be no Mr. Right in my future... At least my hungry woman hole could get satisfied regularly. My last boyfriend was more than five years ago, but he's gone and not coming back.

**Us:** Well then, what did you do?

**Alison:** I got just a little damn sick and tired of having to resort to my sex toys all the time. Sure, they got the job done... But I want some authentic man-meat.

**Us:** And how did you find it?

**Alison:** So, in the middle part of my adult biz, before anyone *really* knew me, I would go to this meat market night-club. And, good Lord am I ever glad that I did. Now, I'm not trying to brag, but men and women do consider me to be hot. So I'd go out not wearing underneath my clothes. That's extremely important to me. Frequently, I'd like to skip the whole bra and panties, and just enjoy having my pussy, ass and nipples, rubbing against my clothes. But, to prepare for the club, I put on some frilly, red panties with a matching bra that just simmered with my rampant sexuality. My pussy gets a little damp just thinking about those panties! I'd flash them as I danced or to who I'd want to hook up with, and that always seemed to work.

**Us:** Now that you've become an actual porn STAR, do you like it? Do you think you'll continue with it?

**Alison:** Hell yes! I'm at the prime time of my life and I don't have to use toys anymore, unless someone requests them in a scene. (*chuckles*) My sex life is absolutely marvelous and I have actually met some great people along the way.

**Us:** You know I have to ask this... What is your favorite part about sex?

**Alison:** All of it. There isn't anything, well almost anything, that I have done that I didn't like. I actually enjoy one-on-one with a guy or a girl. It feels much more inti-

mate and, yes, romantic. You can focus on that person, and what you two are doing. It's a great way to get that "personal contact" without being in a relationship.

**Us:** Do you want to direct or be a producer in the future? I'm sure you'd be pretty good at it.

**Alison:** Actually, I haven't thought that far ahead. I'm really happy and content doing what I do, and who I'm doing it with and for. Sure, I keep an eye out as to how things get done for a shoot, but put a cock or pussy in front of me and my mind instantly goes there. Now with so many categories for female performers, I like being a MILF!

We've added even more excitement to your life!

*Watching other guys

sexy wife gets me hot*

## ***My Wife, the Show-Off***

I was supposed to have met Jill in a bar across town half an hour ago, but as usual, I was late. Fortunately my wife has grown accustomed to my tardiness.

Today was our anniversary. We'd already exchanged presents this morning over breakfast. I'd given Jill a sheer top, so sheer it was almost transparent. I was aware however that my present might end up permanently stored in a dresser drawer, because the shirt must be worn braless—and Jill doesn't like dressing that way. Too bad, because my wife has perfectly shaped breasts, held high. But Jill is self-conscious about her nipples; they are very dark, an erotic contrast to her light complexion, and very large in proportion to her total breast size. They are also extremely sensitive.

This makes sex wonderful. Jill can have an orgasm when I merely suck on her titties. But when it comes to braless dressing, each nipple grows an immediate and noticeable erection from the fabric.

I pondered all this as I drove toward the bar where I was to meet Jill. Our plan for the evening was to have a couple of drinks followed by a leisurely dinner, then off to a romantic little hotel overlooking a country lake.

When I arrived, Jill was seated at a small table by the long row of windows. She was wearing of all things the new top I got her. It was quite clear she wasn't wearing a bra.

A tall man, impeccably dressed in a sharp suit was talking to her, obviously hoping for an invitation to join her. Jill wasn't offering, but he didn't appear to mind since he was having a fine time eying my wife's prominent nipples.

I took a stool at the bar and watched the dude's eyes shift from Jill's face to her boobs. It was as if she were luring him, tempting him to try, even though she knew I was watching the show. Partners have radar: they can detect the presence of the other in a pitch-black room. I swear the bitch even sat up straighter when I entered, which displayed her tits even more against the flimsy material.

By the time he walked away, I had a throbbing hard-on in my pants. "Sorry I'm late," I apologized, coming over and sitting down. I hoped the guy noticed. Jill acted flustered. "Did you see him?" she asked. "Uh-huh," I answered casually.

"I couldn't get him to go away. I'm really sorry. I know you don't like making those kinds of bar scenes." She was testing both my reaction and hers to all that attention.

"I kind of liked it," I smiled. She smiled back. "Really?"

"I've always found it very flattering, even arousing, to find another guy attracted to you. It makes me feel ... pow-

erful, having something he doesn't. Oh, by the way, I love that top." My eyes found their way to her dark aureoles, outlined clearly through the blouse's white fabric. We left not long afterwards to some rather envious glances from the men at the bar.

Later, secreted away in our room overlooking the lake, I confirmed my suspicions that Jill had realized how erotic she looked: her pussy was soaking wet.

When the waiter arrived with our breakfast the next morning, I was still in the bathroom trying to dry myself. A heavy sleeper, Jill wouldn't have awakened to the knock at our door unless it had been accompanied by dynamite. I could see her, still peacefully asleep, through the partially opened bathroom door. The covers had fallen away, exposing her beautiful breasts. She lay on her back, one arm flung above her head, her long, blonde hair fanned out on

the pillow.

An impulse took hold. Rather than have breakfast left in the hall, I called to the bellhop to bring it inside. I peeked from behind the bathroom door as the bellhop wheeled the breakfast cart in. His eyes zeroed in on my wife immediately. Saliva filled my mouth and blood filled my dick.

"Do you want me to prepare this, sir?" he called, his voice comically higher than it had been on the other side of the door. I said I did, and watched as he slowly poured juice, his eyes barely leaving Jill's body. Had she been alone, I'm sure he'd have cast fate to the wind and pounced on her with reckless disregard to any penalties he might incur.

As soon as he left, I couldn't wait to have her. My cock throbbed as my fingers pried apart her vagina. Jill was thrilled with my enthusiasm. When she noticed the smell of breakfast, I explained in intricate detail how she'd been watched and wanted. She moaned passionately. We each came with an unexpected intensity.

It took a few days for Jill and me to sum up our new-found sexual turn-on. For me, watching how her appearance attracted other men filled my loins with a sense of power. There is something inherent in our society that causes great pleasure when another admires what is ultimately, and exclusively, your own.

It took Jill longer to admit her true feelings. Very simply, being sexually admired was a natural and real high. She liked knowing others were turned on to her body. Taking that cue, I whisked out an attractively wrapped package.

"A late anniversary present," I said. It was another new blouse, actually part-blouse and part-mesh. The mesh stretched provocatively over a very strategic region. And the color was tan, the same as Jill's skin. It buttoned up to the base of her throat. I began undoing the buttons, slowly moving south until I reached the button below her breasts. I stood back and watched the material gap open, the sides of each breast teasingly exposed.

"I don't have to worry about my nipples now, my whole tit will come flying out," she laughed. "Let me find out," I said. She came toward me, each breast bouncing wildly and shaking the blouse. Standing alongside of her, I got a breathtaking view of her entire tit. "Perfect, let's go."

"What! Where?" she asked. "I'll take you down to the mall," I replied. "Here, wear these," I said, handing her a new pair of satin slacks.

"They're wonderful," she exclaimed. "What are you wearing?" "This," I answered, pointing to what I already had on, my jeans and a t-shirt. She gave me a doubting look. "Oh, I'm not walking with you, I'm watching."

I could almost feel the sexual electricity run through her. I followed Jill as she entered the prestigious shopping mall in the Washington, D.C. suburb of Rockville, Maryland. Everyone noticed her. A group of young guys standing in an alcove hollered and hooted approvingly.

Jill paused to survey a jeweler's window display of diamonds. I strolled by without drawing her attention. She had agreed not to look at me. I didn't want her to think about my being there.

She turned from the storefront, coming toward me. As she walked she undid another button and full halves of each breast came bouncing into view, as her walk took on the haughty gait of a high-fashion model. Her large aureoles were visible from 30 feet to anyone who wasn't walking with the assistance of a seeing-eye dog.

My cock enlarged unmercifully. Jill continued into a department store, turning heads all the way. She passed a group of guys who raised their eyes to the heavens in wonderment at what they'd just seen. One even made a gesture, as if to follow Jill.

"Shit," the second guy said, "wouldn't you like to hit

that every night?" "I'd settle for just once," a third said.

I felt this enormous power, as if I were the head of the biggest company in the country, or the keys to the hottest car ever imported.

Jill browsed; I waited for her next move. Moments later she walked back toward me. As she reached the center of the mall, she ignored my request to forget about my presence and locked her eyes on mine. Very clearly she mouthed, "For you," and undid two more buttons. Then,

pulling her blouse free from her satin pants, she undid the final button.

Her top was totally open. The only thing that kept her from being completely exposed was the pressure her tits applied to the insides of the material. As she reached the crowded center of the mall, the material over her right breast began to pull away. I calculated two steps were all it would take. She knew what was happening too. She raised her hand and ruffled her hair, which threw the top off both breasts, exposing her erect nipples to 50 gawking bystanders. Then, nonchalantly, she covered herself.

She saw me gesture for the exit and followed. I jogged to the car, wondering if my mind would clear enough to let me drive. Jill could avoid my eyes no longer. She jogged toward me, her face glowing with a huge smile. Two steps into her run the blouse was caught by the wind, exposing her entire upper body once more. Laughingly she gave me a huge hug.

For the first time since we'd been married, we checked into a hotel for the sole purpose of having sex. The long ride home would have been unbearably horny. Our public foreplay had us both so well primed that I no sooner slid

inside of Jill than we both came.

After a short nap Jill agreed to stand naked on the balcony. After watching for two minutes, imagining the stares she was drawing from the building across the street, I was ready to bang her again.

One evening I suggested to Jill that we visit Baltimore's Inner Harbor, a place with a series of shops and restaurants along the once decrepit but now sparkling waterfront. We window-shopped and then ate. A buoy in the harbor struck 10 chimes, signifying the complex was closing for the night. Rather than returning to the car, I led Jill toward "The Block," the city's red-light district on Baltimore Street, to see an amateur striptease contest. Any willing female could take it off.

"Interesting proposition," I smiled, pointing at a sign for volunteers. Catching my smile, she said, "You don't think...? Yes, you do, don't you?" She thought for a moment but decided "No, I couldn't."

I shrugged. She'd expected a debate on the matter and was unprepared for how quickly I let the subject drop. "I am sure there are a lot of seedy guys in there," she rationalized.

I started to walk on, but Jill remained stationary. She stared at the sign, apparently weighing the risks versus the rewards. The turn-on would be phenomenal. She approached the doorman. "Do your bouncers keep the jerks away from the girls?"

"Never any trouble in the 25 years I've been here, lady," he replied matter-of-factly, not even looking at Jill.

"Let's go," she said. My mind reeled. I was at the edge, feeling I'd taken it too far. Excitement, fear, and apprehension caromed around my stomach. I realized that once this experience was over—like losing your virginity—it would never be the same again.

Jill walked through the front door. I followed. The room was fairly small and packed to the rafters. A stage ran straight across the length of the room, with a small ramp jutting out about six feet in the center. That was it.

I couldn't see Jill anywhere; she'd already disappeared into the crowd, I shouted across a few heads that stood between me and the barkeep for a bourbon. By the time my request reached his ears, I wound up with a gin and tonic. I settled in as the lights went down and the first girl came onto the stage.

She was greeted by catcalls and wild applause, but failed to live up to the billing. She pulled off her top as soon as the music started it was all strip, but no tease. She wore an unexciting bra over smallish tits. A change of heart overcame her; half out of her pants and she ran off to boos and hoots.

The second girl was a hit. Her boobs were tremendous and she covered them with only a very wet, very tiny, tank t-shirt that outlined her nips like excited grapefruit. She shook back and forth, pulled off her top, giggled, and ran offstage. Not bad.

Finally Jill was slinking onto the stage. Her back was arched, hips thrusting forward as she slid seductively to the center of the stage, mouth and eyes half closed. They were

all going wild over my wife. Five guys jumped up from their seats near the stage and begged her to come closer, waving money as a lure. Huge bouncers immediately moved in to keep them off the stage. But they had no intentions of breaching the boundaries; they wanted her to strip.

Jill unbuttoned the rest of her top and shimmied it off her shoulders, exposing a sexy lace bra. She really got into it, running her fingers over her bra, pretending to unsnap it but always pulling away. Those guys were going wild. They reached out to touch her; in response, Jill knelt down at the stage's edge and leaned forward, shaking her tits in their faces.

She'd pull the bra top away from her breasts, letting them stuff money inside. One dude reached well into her bra, getting a good feel of her tit. Jill mimed at scolding him

and then offered him her bra to unsnap. When he came for it emptyhanded, Jill rubbed her fingers together. Money.

He pulled out a bill and Jill shook her head No. Two bills later she nodded, and as the guy reached up to undress my wife, I felt like I'd explode. Undoing her snap brought riotous applause. He whipped Jill's bra off her body, feeling each tit before the topless girl stood shaking it for the men in the back row.

The song playing came to an end and Jill waved, leaving the stage. Before the next girl could appear, the entire place shouted for her to return with a monotone chant: "Pants! Pants! Pants!"

I was surprised to find myself joining in. At least a dozen guys waved money in the front row; one even had a credit

card out. The ego boost and sexual thrill of all of these men wanting to see my wife's body was drunken ecstasy.

When Jill didn't return, the chants didn't die; they increased. I could picture the manager backstage, begging the still-topless Jill to go back on. Soon she came back, shaking her naked titties to the wild cheers. The entire house went absolutely fucking wild. Shredded napkins rippled through the air like confetti. The music remained turned off. Jill danced to the simple beat of "Pants! Pants! Pants!"

With each word she'd move slightly—undoing her belt, pulling an inch from her pant loops with each word. She unbuttoned them, tugging the zipper down a fraction to each chant. She wriggled her hips, each hand forcing the material down from her hips. Pink satin panties were showing, then her bare thighs. She knelt over, taking her pants down to her ankles.

My mouth was dry; my hands unsteady; my insides doing flip-flops as Jill stepped out of her pants. Then she stood totally still, with her hands by her sides. Suddenly she froze. She'd gone this far without thinking-about what she was doing.

The chants quieted to a hushed whisper. Crumpled dollar bills rained upon the stage as a financial incentive. Jill remained motionless. Her eyes pierced through everyone in the club, moving from the front row to the back. The crowd was patient yet eager. Jill's eyes found mine. "For you," she mouthed. Her hands moved slowly away from her sides.

"Pants! Pants! Pants!" The chant increased in volume as Jill's fingers touched the waistline of her panties, inching her satin underwear off her hips. Her sweet little pussy then came into view. Her panties slid halfway down... and then they were off.

My mind whirled out of control. Watching Jill strip in front of a hundred-plus strangers was an unbelievable turn-on. Everyone was on their feet, screaming, jumping up and down. Then the audience quieted when they realized she wasn't finished.

Her hands roved lovingly over her breasts. Her face was filled with honest ecstasy, not just stage passion. She was really juiced as her hands moved below her waist and touched the top of her cunt. She jerked in delight.

The crowd was totally still, as if watching some rare expression of art. Jill pressed her clit twice, moaning slightly each time, a moan that was barely audible across the entire room, universally weakening knees. Placing two fingers of each hand inside her love hole, she leaned backwards, spreading herself open.

Her pink wetness glistened. The crowd nearly passed out. I'd never wanted Jill more in all my life, but that's the way it always is: You may want something from the start, but never as much as when someone else wants it too. Jill's exhibitionism has not only improved the quality of our sex life, it has made it fulfilling beyond our wildest dreams.

If you and your wife want to try this but don't want to go so public, maybe you could try leaving the lights on and shades up one night. Then she can be the star of your own sex show.
